

THEYELL

a note from angel

It's the most wonderful time of the year, which also translates to one of the busiest times of the year. The Christmas season is always jam-packed with special events to attend, gifts to be shared, and cheer to be spread. Although, it is a busy time of year for me. I look with anticipation to the Advent season – the 4 weeks before Christmas – that is a time for expectant waiting and preparation. Sometimes I get so lost in the preparation of gift giving that I forget to live into the expectant coming of Christ. It is my hope this season, that as we prepare for all the things that come with Christmas time. That we would take a moment to live in anticipation knowing that Christ is coming! May this season be a time filled with hope, love, and joy!

It's the start of Advent Season! As a special addition to all the other advent activities, our pastors will be releasing daily advent devotions through the VPC Youtube channel. They can be found by clicking [here](#).
