

THEYELL

a note from angel

How 'bout those Chiefs! How awesome is it that our very own Kansas City Chiefs are in the Superbowl for the fourth time in five years? I'm looking forward to cheering them on! I'm also looking forward to all the exciting things happening during the month of February. We have the middle school ski trip, Summer trip registration is now open, it's the beginning of Lent and so much more. As we celebrate the month known for love, it is a time where many people are expressing their love for others through gifts. I have found that the best gifts are acts of service for those I love, as well as making time for the gift of self-care. It is our hope that you take a moment to do one thing you love this month. Take some time to care for yourself and reflect on the ways that you care for those you love. We hope this month is filled with self-care, reflection, and a sweet treat or two.

No Superbowl Party

The Chiefs AFC champion win last Sunday means that we will no longer be hosting a Superbowl party. We hope you enjoy watching the game at home with family and friends!
