THEYELL

a note from zach

May is always full of events, and this year is no exception! We celebrate our Confirmation students as they join the church, then share that celebration in worship, our last week of programs happens in the week before Mother's Day, and we officially welcome next year's 7th graders into the fold with the 6th Grade Move-Up Brunch. All of this happens in the midst of graduation, grad parties, spring sports finishing up, and the school year coming to a close. We take a pause during the second half of the month – both to make space for what is going on in the life of students as well as prepping for the summer. We hope to see you in the final week of programs, and we hope to see you as summer kicks off for Youth Week, and beyond!
